

Dear **Ancillary** Provider,

Welcome to the Ancillary Provider Credentialing and Contracting process!

If you do not already have a Facility/Provider Record ID established with Blue Cross and Blue Shield of Texas (BCBSTX) that matches your billing information (Billing NPI and Tax Identification Number (TIN)), you must complete the [Ancillary Provider Record Request Form](#) first, located under the **Provider Onboarding Process** on our [How to Join /Network Participation](#) page, to set up your BCBSTX Provider Record ID.

Obtaining a BCBSTX Facility/Provider Record ID does not automatically activate the Blue Choice PPOSM, Blue EssentialsSM, Blue Advantage HMOSM, Blue PremierSM, MyBlue HealthSM, Blue Cross Medicare Advantage (HMO)SM, Blue Cross Medicare Advantage (PPO)SM and/or Medicaid (STAR), CHIP and STAR Kids networks.

Claims will be processed out-of-network until the provider has been approved and activated in the network. If you wish to be a contracted provider, you will need to complete the **Credentialing/Recredentialing Ancillary/Hospital Provider Questionnaire** located under the **Credentialing and Contracting Process for Ancillary Providers** section of the [How to Join/Network Participation](#) page and include the licensing, liability insurance, accreditation and additional information requirements included below.
